Dear Members of Par Four Charities,

I am so very appreciative of the very generous donation of six hundred dollars to my Escambia High School GED Program. This will help pay for nine students' GED test. This will forever change the lives of these students but will also change the lives of their children or future children. When they get their diplomas, it opens up a whole new world to them. It gives them the opportunity to attend college, get a better job or join the military. It is also an incentive for their children to finish high school, if mom and/or dad have their diplomas.

I am sending a thank you note and picture of Truby Perkins. He took the test on March 16<sup>th</sup> and 17<sup>th</sup>. As I get results back, I will send you another letter telling you how Truby did on the test.

Thank you again for sponsoring my GED lass and know that you truly have made a difference in nine lives because of your generosity. Thank you again from the bottom of my heart.

Respectfully,

Wanda Rankin, GED teacher
